"Every successful bodybuilder has got to use the most advanced bodybuilding methods available... UNIVERSAL BODYBUILDING offers the best! Using UNIVERSAL methods, I have made excellent gains!"

Brian Eastman

NOT FOR THE SUPER BODYBUILDING SYSTEM!

BE BETTER THAN THE BEST. BE DYNAMIC!

MOST MEN NEVER REALIZE THEIR POTENTIAL FOR MUSCULARITY. Why? Probably because they've never across or taken advantage of a training program quite like the one we offer here at UNIVERSAL BODYBUILDING. Our course has the ULTIMATE MASTERPLAN for TOTAL BODY DEVELOPMENT!

Very few men are satisfied with the way they look at present. They know themselves that they wouldn't mind having a REALLY MASCULINE BODY — one that will "turn on" the girls and make the guys envious.

WITH UNIVERSAL METHODS, YOU CAN BREAK OUT OF YOUR "OLD" SELF, AND TRANSFORM YOUR BODY INTO AN ATTENTION-GETTER!!! WE GUARANTEE TO IMPROVE YOUR BODY FAR BEYOND WHAT YOU'VE EVER BELIEVED POSSIBLE!! We have perfected bodybuilding training techniques to the extreme, so that we can offer you the fastest gains possible. If you're thin and underweight, you'll be astonished at how quickly muscles appear. If you're overweight, we can help you to trim down the fat and replace it with rock-hard muscle. We'll tone up your abdominal area, and show you how to obtain a well-defined and impressive waist.

Add 2 or 3 inches to your arms, 4 or 5 inches to your chest — your rewards will be in direct proportion to your effort and accomplishments — nobody sets a limit to your success.

In the time it takes to complete this 12 lesson course, we can guarantee you a muscular foundation fantastic enough to be developed to your fullest potential!!! You can go far beyond mere "improvement" with the Advanced Training Techniques included in this course. We can give you the firm, rippling, muscular body of a physique star!!! Send in for our FREE COLORFUL BROCHURES TODAY (fantastic information about our course — loaded with unbelievable photographs). You won't regret it!!!

INSTANTLY — YOUR MUSCLES WILL BEGIN TO GROW!

BEFORE

BE GREAT — BE SOMEBODY SPECIAL!

Improve your health, self-confidence and your outlook on life as you become more muscular. Regardless of your age, height or present build, we'll help you build a fabulous body. Thousands of people have taken this course with fantastic results — why not you? Whatever you look like today, we can improve on it. We guarantee it!!!

- ☐ **ARMS** — Develop big, powerful arms — the kind girls love to be held in! Command respect from everyone you meet!
- ☐ **CHEST** — Is your chest sunken and unimpressive? No more! It's easy to build a massive chest. You can measure 45, 47, or even 50 inches!
- ☐ **BACK** — Develop your upper back, and get that outstanding "V-shape"! Often within one week you'll be able to see that wedge formation begin to take shape — it's a real attention-getter!
- ☐ **SHOULDERS** — Get rid of those puny shoulders! Instead, fill your shirts with bulging muscles!
- ☐ **LEGS** — Put some muscle on those spindly legs! Muscular legs will give you extra power like you've never dreamed possible!
- ☐ **ABDOMEN** — Trim and hard — that's the way your abs should look. Get rid of your potbelly, improve your digestion, and get that washboard waist — all when you develop those abdominal muscles!

WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF.

Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.

A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.

THE SPIDERS' WEB

SEND YOUR LETTERS TO:

THE MARVEL COMICS GROUP, SIXTH FLOOR 575 MADISON AV., NEW YORK, N. Y. 10022

Dear Marvel,

The Jackal is Jasper Sitwell.

Richard J. Rockman
744 West Diamond Avenue
Hazleton, PA 18201

Uh, where were we? Oh yeah, just about to open this month's episode of "The Spider's Web" with a captivating letter sure to provoke discussion on this page in the months to come...that's where we were.

Dear Gerry,

After reading SPIDER-MAN #143, an interesting thought occurred to me. Is Peter Spider-Man because he didn't stop that thief in the TV building and in effect caused Uncle Ben's death, or is Peter Spider-Man because he enjoys it? I'm serious.

I noticed on page 7, Spidey "webs it" to college. Can't he use public transportation? Peter Parker's motivation for being a super-hero has blurred over the years as he's matured. Please redefine it.

The more I ponder this question, the more I think the Parker/Spider-Man relationship is sado-masochistic. I'm still serious. Peter is almost flunking out of college, his girlfriend has died, his apartment was blown up, his entire life has been messed up in more ways than one by his alter-ego, yet he continues to be a super hero.

Yes, I know that in this world, "With great power there must also come--great Responsibility" but is there no limit??

Who is Peter Parker?

Who is Spider-Man?

And, most important, why are they the same person?

Ken Wolf
(no address given)

FLASH!!

This just came in over the wire! Mary Jane doesn't know what color Pete's eyes are (or else Gerry doesn't). In issue #141, page 11, panel 1: "Hello there, Brown Eyes." In #143, page 17, panel 4: "What's funny, Blue-Eyes?" Pete's eyes were blue in #142 but who knows what color they were in #141. He seemed to have them closed all through the story. I don't blame you Pete, I wouldn't have wanted to be seen in that story either.

Lon Wilfe
(no address given)

Certainly, Lon, you know of our widely-acclaimed proclivity toward the magnificently generous dispensation of those much-coveted little items, No-Prizes (namely, we hoard the non-existent things like jealous misers).

And here we were about to bestow one upon you--and ya didn't include yer return address. Now what kinda way is that to treat yer befuddled bullpen? Looks like you win--and lose! Better luck next time, Lon.

Dear Marvel,

Issue #143 contained an interesting letters page. I agree with Dan Gubbin that your storylines should highlight Peter Parker's spider-powers. Also, like Dan, I enjoy reading about Peter Parker's personal life and the interplay of the supporting characters. In conjunction with this last point, I vote that Peter Parker remain in college, because it provides such an available and adaptable background situation in which the sub-plots in SPIDER-MAN can take place. I won't be disappointed, however, if you have Peter Parker graduate as long as you maintain the interaction between Peter Parker and the supporting characters.

Adrian Reed
Austin, TX

Dear Folks,

Worry no longer! Here is the final solution to the Peter Parker college graduation dilemma! Probably the most realistic solution (particularly considering the way Pete must be piling up incompletes) is to have him "take a year off." As almost anyone on the college scene can testify, this euphemistic term can describe any time period from an actual year to a half-century! And on a "leave of absence," Pete could theoretically--return to school at some late date! Besides, the emotional problems provided by Aunt May's response to Peter's decision in the matter could make for fun plot complications!

Meloney Crawford
16 Caroline Street S
Saratoga Springs, NY 12866

It hadda happen, someone hadda come up with yet another way to confuse us and escalate this dialogue from an essentially two-sided discussion to one with three reasonable solutions. Waddaya say, Spidey-people?

We know what we say, and that's a hearty "cheerio" and we'll see ya back here--later. Meanwhile remember to keep on keepin' on!

Now is the time to start cashing in on the huge market for customized Surfer Vans! A market where \$1,200--for a week's work is not unusual! Hard to believe? Not if you've got an estimate for a "Surfer's Den" lately--like the one shown! Van Customizers usually BEGIN around \$600--go all the way up to \$2,500 or more. And experts believe the customized van trend has only just begun!

There's a tremendous demand for these skills... not just in the automobile industry. Offices, Stores, Homes, Motels, Bars, etc., wherever there are seats there's a CONTINUING NEED for men and women who can repair vinyl and leather upholstery.

You owe it to yourself and your family to look over this fabulous opportunity to MAKE MORE MONEY--NOW! Mail in coupon for MASTER PLAN and big color illustrated book let "HOW TO MAKE BIG MONEY IN AUTO INTERIOR CUSTOMIZING AND REPAIR". No obligation--no salesman will visit or phone.

STAN LEE'S SOAPBOX

Hey, troops, remember the old Classics Comics mags? Remember how everyone loved those comic book versions of the world's greatest stories? Remember what a great help they were with school book reports? Well, ol' Marvel remembers, too. And that's why we're real excited to announce that your beary-eyed Bullpen has done it again. We're bringing the classics back to life! We're starting a whole new series of 50¢ magazines, a full 48 pages per issue—with no ads! We expect Marvel's new line of classics to be the biggest thing since Aunt May's face lift, so watch for 'em, hear? There'll be more announcements coming your way elsewhere in our mags, so you've no excuse for missing 'em! Meanwhile, I winged my way to Penn State U. a few weeks ago to deliver some culture and erudition in the form of a lilting lecture, and found the campus plastered with the word "blexcroid." No one would tell me what it meant unless I gave Penn State a plug here in the Soapbox. Well, you know me. I yield to no pressure! I don't have to mention Penn State. I'll bet we have enough Believers out there who'll tell me what blexcroid means without me mentioning Penn State. So there ya are, Penn State—I didn't mention you! Nyah! And now, the announcement you've all been waiting for. At least, some of you have been waiting. Well, at any rate, my editor at Simon & Schuster has been waiting. Next ish, here in this very column, I'll reveal the long-awaited secret of which Marvel masterpiece will be featured in the long-awaited sequel to the ORIGINS OF MARVEL COMICS! No, no, don't get too emotional about it—restrain those tears of joy and gratitude—you should be used to our beneficence by now. Or, as All-Father Odin might say, "The moment of departure hath arrived. Yea, verily, 'tis time to take a troll to lunch!"

Excelsior!

Stan

ITEM! Remember those bygone days when we'd tell titanic tales of how such motion picture greats as FEDERICO FELLINI and ALAIN RESNAIS would make it their policy to pop up at the mighty Marvel offices whenever in New York to amuse your bashful Bullpen with starting stories of how comic books had so greatly influenced their lives and transformed them from cherubic children into some of the world's greatest film directors? Well, Faithful

One, those days have not yet passed! Just this week (that's Marvel Standard Time, O Keeper of the Flame, not to be confused with the week when you finally read these wondrous words), GEORGE PAL, producer of such well-remembered and deeply-cherished Science Fiction films as *The Time Machine* and *War of the Worlds*, dropped by 575 Madison Avenue to let us in on the behind-the-scenes scoop of what many say may be his greatest epic—DOC SAVAGE, MAN OF BRONZE! While he was here, Our Pal George got the chance to feast his eyes upon Big JOHN BUSCEMA's pulse-pounding pencils for the fifty-page extravaganza slated for the first issue of the Bronze Man's brand-new, bombastic black-and-white mag coming your way within weeks. (And just so you don't think our cavortin' color mags are being ignominiously ignored, we'll just casually hint that you should keep a close watch at your local newsstand in the days to come so you won't be one of the unfortunate few to miss picking up our one-shot GIANT-SIZE DOC SAVAGE blockbuster. A word to the wise and all that.) Also, for those of you aching to know more about the man who is about to help make DOC SAVAGE a household word, be sure to catch the intricately in-depth interview with George Pal conducted by Cheerful CHRIS CLAREMONT and Sunny JIM HARMON in the pages of the aforementioned black-and-white blockbuster. 'Tis a pleasure not to be missed!

ITEM! Hey, have you caught the latest masterpiece produced by our own Happy HERB TRIMPE? The Hunking One, anxious to get his talented hands on a war mag ever since the late lamented Phantom Eagle flew his final mission just a few years gone (except, of course, for our way-out World War One Ace's off-beat guest-shot in GHOST RIDER #12, still on sale if you're lucky), leaped at the chance to draw the adventures of John Kowalski, who lives again and dies again in every issue of WAR IS HELL! The only problem that presents is that Cheerful CHRIS CLAREMONT is so awed by Herb's pencilling that he's afraid to cover up any of the art with his captivating captions and wondrous word balloons! Say—would any of you out there be interested in a war mag without sound effects? We didn't think so.

ITEM! And speaking of superb pencillers who are outrageously enthusiastic about their latest art assignments, how about Buffalo BOB BROWN, Daredevil demon, who has just landed the pencilling chores (Gee, wonder why we keep calling these things we'd do for free "chores"?) on MARVEL TWO-

IN-ONE, thus assuming the honor of drawing bashful, blue-eyed Benjamin J. Grimm on a bi-monthly basis. We've never seen anybody enjoy sketching an overgrown pile of lumpy orange rocks more!

ITEM! But before our riotous writers start getting depressed over the fact we haven't devoted a Bullpen Item entirely to them in quite a while, we'd better mention that STEVE (Baby) GERBER, Man-Thing maven, has just taken over the editorial reins of CRAZY MAGAZINE from Marvelous MARV WOLF-MAN, who also passed Steve two Alka Seltzers and a bottle of aspirin. Good Luck, Steve—you may need it! Marvelous Marv, by the way, will finally put to use all the art training he gained teaching Junior High School, when he takes brush in hand and actually colors the debut issue of his brainchild, SKULL THE SLAYER! On the short side, Dauntless DON MCGREGOR will soon be scripting the adventures of one Luke Cage, POWER MAN! Granted, Don's sure excited about the project, but we still think that big iron chain he's started wearing around his waist will really hamper him when softball season rolls around again. (And just so Cheerful CHRIS WHAT'S-HIS-NAME doesn't get a swelled head from being mentioned so many times this month, we'll just whisper that he's the newest scripter of MARVEL PREMIERE's Martial Arts sensation, IRON FIST!) There! If that doesn't get those unruly writers off our backs, we don't know what will!

ITEM! FOOM lives! FOOM lives! That's right, Faithful Ones—contrary to raucous rumor, your very own fabulous fan club is still very much alive and well. For a mere \$2.50, you will receive oodles of stunning stick-ons, a magnificent full-color poster, four fantastic issues of FOOM's far-out fan magazine, and a golden membership card entitling you to all rights and privileges Marvel'doin can manage!
